**Welcome, and
thanks for visiting
Second Mouse
Productions!**

**We've been working
hard to make this
site look as good as
our Videos.**

Many artists never really feel like a work of art is done, because there is always something they would like to improve. That's how this project feels.

Getting this far has been a beast! The site currently has nothing in it but what comes with the software. We will be working as fast as we can cut & paste to fill it in with real content. Wish us luck, and come back soon to see the finished product.
